- Menu Engineering & Recipe Costing
- Beverage Cost Control & Variance Analysis
- SOPs & Operational Standards
- Pre-Opening Operations
- Opening & Closing Controls
- Guest Recovery & Service Excellence
- Rostering & Staff Deployment
- Guest Experience & Upselling

PROFESSIONAL EXPERIENCE

Assistant Bar Manager

Nov 2022 – Dec 2025

Bla Bla By McGettigan's, Dubai, UAE

- Supported daily high-volume bar operations, coordinating approximately 20–25 bar team members during peak shifts and busy trading periods.
- Maintained beverage cost at around 21% through inventory control, variance follow-up, recipe compliance, wastage monitoring and accurate internal requisitions.
- Led onboarding, training, coaching, pre-shift briefings, and performance feedback to maintain strong service, beverage quality, and team standards.
- Managed stock counts, transfers, internal requisitions, high-value spirit checks, breakage and wastage, and followed up on unusual inventory variances.
- Planned weekly rosters and adjusted staff deployment based on business levels, events, leave, peak periods, and operational requirements.
- Supported beverage costing, pricing recommendations, recipe development, menu updates, promotions, premium product focus, and upselling initiatives.
- Handled guest recovery and operational problem-solving while coordinating closely with floor, reception, and kitchen teams to maintain smooth service and guest satisfaction.

Floor Supervisor

Oct 2021 – Nov 2022

Bla Bla By McGettigan's, Dubai, UAE

- Supervised day-to-day floor operations across two outlets, including staff deployment, section allocation, service flow, guest complaints, service recovery, and team breaks.
- Led pre-shift briefings, monitored service standards, and coordinated closely with bar and kitchen teams during peak periods.
- Supported closing duties, shift handovers, staff coaching, and smooth guest-service execution during high-volume operations.
- Took additional floor responsibility when the Floor Manager was unavailable, supporting team coordination, service continuity, and operational decision-making during busy periods.

Bartender

Jan 2021 – Oct 2021

Bla Bla By McGettigan's, Dubai, UAE — Pre-Opening

- Prepared and served cocktails, spirits, and mixed beverages according to standard recipes, presentation, and portion-control requirements.
- Maintained bar mise-en-place, cleanliness, stock replenishment, glassware, and equipment readiness throughout high-volume service periods.
- Supported stock counts, product rotation, internal requisitions, and daily opening and closing routines to maintain smooth bar operations.

Head Bartender

Dec 2019 – Mar 2020

Nara Desert Escape, Dubai, UAE — Pre-Opening

- Supported pre-opening bar setup, including equipment readiness, stock preparation, station organisation, recipe standards, and service procedures.
- Led day-to-day bar operations for luxury desert dining experiences and private events, ensuring smooth setup, service flow, and closing procedures.
- Managed stock levels, internal requisitions, par levels, product rotation, and wastage control to maintain operational readiness.

Bartender

Jan 2019 – Nov 2019

Tasca by José Avillez, Mandarin Oriental Jumeira, Dubai, UAE — Pre-Opening

- Supported pre-opening bar setup, including station organisation, equipment readiness, stock preparation, and service standards.
- Prepared and served cocktails, spirits, wines, and other beverages in line with recipe specifications, presentation standards, and luxury service expectations.
- Maintained bar mise-en-place, cleanliness, glassware, stock replenishment, and operational readiness throughout service.
- Supported inventory counts, stock rotation, and daily opening and closing procedures while maintaining accurate beverage handling standards.

Bartender

Feb 2015 – Nov 2018

Radisson Blu Hotel Dubai Media City, Dubai, UAE

- Prepared and served cocktails, spirits, wines, beers, and other beverages across Icon Bar and Tamanya Goes Thai.
- Maintained bar mise-en-place, cleanliness, glassware, stock replenishment, and equipment readiness during busy hotel operations.
- Supported inventory counts, stock rotation, opening and closing procedures, and daily beverage-control routines.
